01:22:19 Sedef Doganer: masks required at UTSA

01:22:37 jose gamez: Sorry, zoom crashed briefly but I think that I touched on the main points

01:23:04 ACSA Staff-1: Thank you, José!

01:25:47 Jhennifer Amundson: The SSMC (Student Shop Managers Consortium) will publish their expert opinions on shop maintenance/hygiene in the next few days. They have a facebook page: <https://www.facebook.com/groups/myssmc>

01:26:25 Luis Rico-Gutierrez: I taught a class this summer (Urban Design Studio) and used this book to help students navigate the challenges of remote collaboration: Intercultural Collaboration by Design: Drawin... Murdoch-Kitt, Kelly M., Emans, Denielle J. Stuent really appreciated the intentional "training" on intercultural remote collaboration. Sometimes we take it for granted, they said.

01:27:24 Francisco Rodriguez-Suarez: Thank you for the recommendation, Luis.

01:28:16 Evan Richardson: With online instruction, more collaborative opportunities among institutions. Morgan State University is planning a course with Yale for Fall 2020.

01:29:52 Jhennifer Amundson: Am I right in expecting that HVAC classes will enjoy a whole new relevance & popularity???

01:30:19 Amy Rosen: I sure hope so, Jhennifer!

01:30:31 Evan Richardson: Morgan State University is requesting info on studio capacities. With COVID-19, we are considering increasing class sizes. Is this happening with other programs? My group shared with me.

01:33:16 Colleen Sagers: Would it be possible to do a few additional polls on some issues that came up in the breakout groups? Maybe a poll on normal studio class size and fall 2020 class studio class sizes?

01:33:37 Amy Rosen: Something that hasn't been mentioned yet that I think might also be valuable when assessing COVID risk level upon return is the degree to which wastewater-based epidemiology (WBE) can be used to determine virus presence (for symptomatic, asymptomatic, and pre-symptomatic individuals). There's a number of research studies ongoing, but here's a few that highlight the value of WBE for localized quarantining and preventative decision-making:

01:33:47 Jhennifer Amundson: I'd like a poll on buildings open after hours or no

01:35:51 Evan Richardson: Morgan State University - planning not to open after hours. Closing at 10:30 PM.

01:37:01 erich CONNELL: Once a class or studio is done, students will be dismissed

01:37:09 Evan Richardson: Not sure about weekends

01:37:25 erich CONNELL: No hanging around anywhere

01:37:42 Aaron Betsky: Making special hang out areas that are safe

01:37:45 Evan Richardson: How do you control people staying in studio.

01:37:53 erich CONNELL: Agree to a conversation in August

01:38:00 Luis Rico-Gutierrez: Have to go! Nice seeing everybody!

01:38:08 Evan Richardson: True...Maryland!!!
