
Best Practices *for*
Transfer Relationships
**Miami-Dade College &
University of Florida**

Associate of Arts in Architecture, MDC
Bachelor of Design & Master of Architecture, UF

Bruno E. and Maritza F. Ramos Collaboratory, 2025
Addition to the University of Florida Architecture Building

AA transfers from Miami-Dade College

State Department of Education articulation agreement

Acceptance processes for UF and the School of Architecture

Financial assistance for transfer students

Challenges

Lack of space at UF and other State University System schools

Difficulty disseminating information to potential students

Limited financial assistance for AA transfer students

Competition from out-of-state programs

Opportunities

Personal connections between faculty at MDC and UF

Individualized advising for MDC students by UF advisors

Articulation pathway to other State University System schools

Other University of Florida programs

Gator Design and Construction at Santa Fe College

2+2+2 agreement with Valencia College and University of
Central Florida

3+3 program
